To Whom It May Concern

I am writing to recommend Katarzyna Sienkiel, who has been my Polish language tutor for the past four years. I am more than happy to share my positive experience with her teaching abilities.

Katarzyna is an excellent Polish teacher with a genuine passion for language and culture. Throughout our time together, she has shown great patience and understanding, making the learning process enjoyable and effective. Her teaching style is adaptable, and she always finds creative ways to keep the lessons engaging.

Under her guidance, my Polish language skills have improved significantly. Katarzyna combines in her lessons theory, conversational techniques, written exercises, (self-made) games and videos, all with a good dosis of informality and laughs, which have been incredibly helpful for my language development.

Moreover, Katarzyna's approachability and kind demeanor create a very comfortable learning environment, in which she showed much patience and flexibility. I have never felt under pressure, she has always been very open, supportive and encouraging.

In summary, I wholeheartedly endorse Katarzyna Sienkiel as a skilled and dedicated Polish language tutor. If you are seeking a tutor who can make learning enjoyable while delivering tangible results, she is the right person for the job.
